				REMARKS
DIRECTOR	3	Gu	11/23	<p><u>F Y I</u></p> <p>Attached are answers to questions posed by [] to JSH which originated with [] OMB (formerly called GOS). [] wanted to visit NPIC to delve into these questions personally with the PI's. [] insisted that [] put his questions in writing. Whether or not [] visits the Center to continue his investigations is unsettled but obviously DDIE is trying to discourage this. It is uncertain what [] is delving into.</p>
